

# The Outer-Town Tour

## The tour to get to know the outer part of downtown Herzogenaurach takes you along the former town fortification.

You will see the town's green oasis, experience interesting facts about the Dassler family, and take a detour to the Aurach and the outdoor pool, located on the river's idyllic island.

The tour ends back on the main street with sights of the eastern old town.

- [17 „Lehens“ Tower \(Lehensturm\)](#)
- [18 Pig Herder's Tower](#)
