# Living Advent Calender

Dance performances, singing, magic: Every year, the Living Advent Calendar brings 24 days full of exciting entertainment for children and grown-ups.

Enjoy a special Advent season in Herzogenaurach. From 1 to 23 December 2024, the door of our Living Advent Calendar will open punctually at 5.00 pm on the stage on the market square. Look forward to a 20-minute programme with mulled wine and bratwurst. On 24 December 2024, the door will open at 12.00 noon to ring in the Christmas holidays.
