Welcome to the Old Town Festival

Socialising and club life come together over three days in the centre of Herzogenaurach. From guided tours of the town and a sheep's head tournament to a colourful music and children's programme, you can experience the Old Town Festival in the heart of our town from 20 to 22 June 2025.

Every fortnight after Whitsun, Herzogenaurach town centre is transformed into a colourful open-air venue. Over three days, you can stroll through the city centre at various stands and discover what Herzogenaurach's clubs have to offer and how deeply rooted voluntary work is in the city. You can also experience the colourful culinary diversity that Herzogenaurach has to offer. Various bands and the town youth band provide a great atmosphere on the stages on the market square and in the castle courtyard.
