

# Summer Festival in Herzogenaurach

The Summer Festival in Herzogenaurach is an annual highlight for thousands of visitors. Beneath the old trees at the Weiherbach area it is easy to enjoy a warm summer's day with a cold beverage and live music. The next Summer Festival is planned to take place from July 1 until July 10, 2022.

Live music, cold beverages and funfair rides: The Summer Festival at the festival grounds "Am Weiherbach" is a magnet for thousands of visitors every year. Besides the numerous funfair rides for children and grown-ups and the diverse food stands at the festival grounds, also the "bierkellers" at the Weiherbach area invite the visitors to take a seat and enjoy a cosy get-together. Various bands perform on the Weiherbach platform and at the "Rockkeller" for the visitors' entertainment.
