

Festivals, Markets and Fairs

Herzogenaurach citizens know how to celebrate. For example, on Carnival Tuesday, the market square is crowded with masqueraded revelers; during the Old Town Festival, the streets of the town center are bustling as well; for the Summer Festival, everybody comes to the Weiherbach area; and also for the Martini Festival, taking place in cold November, children and grandparents, singles and families meet downtown.

Additionally, two fairs have been established during the last few years: The town fair Construct-Live-Renovate, and the bicycle fair Mount a Bike - The Bicycle Fair. Of course, we keep you updated to the latest Corona news and measures. Inform yourself on the particular web pages of the events.
