hin&herzo - The Culture Festival

All good things come in threes - we are happy to be able to welcome you to the third hin&herzo - The Culture Festival in 2021! This year the overall theme of the festival is "LUCK". While the hin&herzo Festival could not take place in 2020, you will find "LUCK AND HAPPINESS" outside your door from September 24 to 26, 2021.

Look forward to readings on the topic of luck and happiness, to exhilarating and delighting concerts, light installations and performances, up to theater moments with "Hans in luck". Sarah Wiener, Die Leipziger Pfeffermühle, Alexej Gerassimez, Martin Brambach and Christiane Sommer are only some of the artists coming to Herzogenaurach in September. Be curious! You can buy tickets in pre-sale from Friday, July 30th, 10 am.

Current Corona notes

One thing we have learned from the last few months is that everything can change on very short notice. With all our restrictions and hygiene regulations we are well prepared to enable a safe and plannable culture event for you. According

to the current regulations, all ticket-based events with reduced number of seats can take place. Additionally, everybody is used to wearing a mask, to keeping distance and to reserve seats in advance by now.

Still, Corona might force us to adapt new regulations on short notice: for example if an artist cannot perform as scheduled, if the number of visitors has to be reduced again or if some of the performances in the hin&herzo Discovery Area cannot take place as planned. Therefore we ask you to check our website for current information before visiting the festival. We will keep you up to date.
