STADT  
HERZOGENAURACH

Herzogenaurach as the home of global players like adidas AG, PUMA SE and Schaeffler Technologies AG & Co. KG is well-known for its sports goods outlet and concept stores. The outlet stores can be reached within only some minutes by car from the A3 autobahn junction "Frauenaurach" and provide a diverse range of offers for sports and fashion fans from Monday through Saturday. Three times a year, they also participate in a Sunday Shopping Event and then open their stores from 1.00 pm to 6.00 pm.

But Herzogenaurach has to offer even more: The medieval atmosphere of its town center where everything is within short walking distance. There is the town museum, there are numerous international and traditional restaurants, and several stores offering fashion, toys or gourmet food - enjoy these offers as an add-on to your outlet store visit. Anybody interested in further information about Herzogenaurach itself is invited to join one of the [town tours](#) (either in German, English, Italian, Spanish or French) to learn about the 1000 years of town history.

And if you are looking for some recreation after your shopping tour, the Atlantis fun and adventure pool is the place to be. It offers an extensive sauna area, sports and wellness pools, as well as a terrific slide area - that means fun for the entire family.
