

Playgrounds, football pitches and more

IMPORTANT: All playgrounds, football pitches and more are closed at the moment. The town administration asks all citizens to observe this order.

[More information on Corona-Virus](#)

It is not only the active club sports that makes Herzogenaurach more attractive but also the open air activities in the city. Families, young people and elderly people have to decide whether they visit a playground, meet at a football pitch, at a basketball court or at the skateboard park - there is no time for boredom in the sport city at all.
