

Rental Service at the Generations.Center

You are planning a party but are still missing the "certain something"? Then try out the rental service at the Generations.Center!

The spectacular bouncer castle or the popular beer case slide as well as the popcorn or the candyfloss machine are only some of the many rental offers available not only to kindergartens, schools and clubs. The offered items can also be rented for children's birthday parties, wedding parties and other private festivals.
