

# Your Team at the Youth Club rabatz

Here you can see who works at rabatz and who your contacts are when you drop by. We are always happy to meet new faces and support you if you need help.

Are you interested in working at rabatz? No problem: you can always help us as a volunteer in our planning team, behind the bar, as a DJ, sound technician or set-up and dismantling helper. Just get in touch if you are interested or drop by.

To this end, he travels around the city as the 'city youth worker', organises the youth conference and other participatory projects or organises events at rabatz. He is also happy to help you with problems with friends, parents, at work or at school. Even if you have messed up and have to do community service after a court hearing, for example, he is the right contact person for you!

- There will be no 'hard' alcohol (spirits, liquor, etc.) at your private party. Your drinks must be ordered and billed through the rabatz youth centre.
