Your FreiRaum in Herzogenaurach

Almost everything is possible in the Jugendhaus Rabatz: Whether you feel like relaxing with friends, creating something, co-determining or simply enjoying life – here is your place to be. Benefit from

the free offers of your city and drop by the Jugendcafé FreiRaum!

IMPORTANT NOTICE: The rabatz stays open under special hygienic protection measures. But unfortunately, all events are cancelled.

Every week there is something new to discover and experience at the Jugendcafé FreiRaum. For example we organize barbecues, board game evenings or girl's nights. Grab your friends and take a look for yourselves.
All dates and activities – as well as workshops and getaways - can be found on the internet on the city's website. Just search for the calendar of events and the category "youth" or swing by our facebook or instagram: https://www.facebook.com/rabatzherzo and https://www.instagram.com/jugendhaus.rabatz/
