Amt für Stadtmarketing und Kultur

Initiating, planning and successfully realising marketing, tourism and cultural work for a moving city is the broad spectrum of tasks of the Department for City Marketing and Culture.

In addition, the team from the Office for City Marketing and Culture is responsible for the content, design and further development of the Herzogenaurach Official Journal and the website of the Town of Herzogenaurach. The Herzogenaurach town newsletter and the town marketing newsletter for businesses are also produced here. The Tourist Information Centre, which is also part of the Office for City Marketing and Culture, offers brochures, souvenirs and information as well as tickets for events.
